- 5) Transportation (Uber, etc...) \$ _____
- 6) Other expenses \$ _____ Provide details _____

Notes: _____

Traveler's signature _____

Account to be paid from _____ Account holder approval signature _____

Please review following pages for required documents and reimbursement policies

General

- Please type entries into reimbursement forms, do not handwrite.
- Be sure to provide a detailed purpose/justification for reimbursements, such as you were a presenter at a research conference, meeting with others for research collaboration, etc... Be as detailed as possible. This is the #1 reason the university rejects reimbursement requests.
- Do not abbreviate conference names, associations, institutions, etc...
- Receipts must show a payment transaction/proof of payment in your name. It is helpful to include a copy of your bank/credit statement showing the transaction as well.
- Be sure to make sure you are setup in the TEM (travel & expense management) system. If you are not, please contact Jennifer Vaisnoras.
 - Check this website to see if you can login- <https://travelexpense.admin.uillinois.edu>
- TEM can only be accessed when you are connected through a UIC network. You can install Virtual Private Network (VPN) to access TEM from outside a UIC network at <http://acc.uic.edu/service/vpn>. Note that you must be on the UIC network to install VPN.
- Students are no longer required to use the “Request for Research Travel Funds” form

Travel

- Food receipts do not need to be submitted as you will receive meal per diem instead.
 - Visit the following website for more information on per diem
 - <https://www.obfs.uillinois.edu/bfpp/section-15-travel/travel-reimbursement-and-per-diem>
- Conferences require the cover page of the conference program showing dates and location.
- If you book your flight and/or hotel through a travel site such as Expedia, UIC Payable requires you contact that vendor to obtain a detailed itinerary/breakdown of those purchases.
- If you are traveling beyond the dates of a conference for personal time YOU must provide documentation of what the airfare would have been if you only attended the dates of the conference. You will be reimbursed the lesser amount.
- If you are flying to a different location after a trip rather than Chicago, you must provide documentation of what the flight cost would have been to return to Chicago. You will be reimbursed the lesser amount.
- Your name must be on the receipt of the lodging bill. If you split the costs with someone, then ask the lodging vendor to list both your names and separate the charges.
- It is not allowable for UIC students or employees while in travel mode to pay for meals of other UIC students or employees and submit for reimbursement. They and you would instead be eligible for meal per diem reimbursements.
- Do not rent a car on your own as UIC has approved and contracted car rental vendors.

International Travel

- For international travel, you will be reimbursed at the current conversion rate OR you may provide bank/credit card statements showing what you paid in US dollars and will be reimbursed that amount.

- All UIC students who travel outside the U.S. and its territories on UIC-related or authorized travel must enroll in the ITS travel roster and obtain the University of Illinois System's comprehensive insurance plan (Gallagher) or equivalent insurance approved by the UIC Study Abroad Office.
- All faculty or staff traveling internationally with UIC students must also enroll in the university's ITS travel roster and obtain the Gallagher insurance policy or equivalent insurance approved by the UIC Study Abroad Office.
- Visit the following website for more information and reach out to the Business Manager, Jennifer Vaisnoras for full details.
 - <http://oge.uic.edu/international-travel-safety-enrollment/>
