DRC, CHEATING and BASIC INFO

Disability Services: UIC is committed to full inclusion and participation of people with disabilities in all aspects of university life. Students who face or anticipate disability-related barriers while at UIC should connect with the Disability Resource Center (DRC) at drc.uic.edu, or at (312) 413-2183 to create a plan for reasonable accommodations. In order to receive accommodations, students must disclose disability to the DRC, complete an interactive registration process with the DRC, and provide their course instructor with a Letter of Accommodation (LOA). Course instructors in receipt of a LOA will work with the student and the DRC to implement approved accommodations.

Academic Dishonesty: Students will be held to the University’s standards on academic dishonesty as described in the following Student Code of Conduct: http://dos.uic.edu/docs/Student%20Disciplinary%20Policy.pdf

Course Description: Techniques and problems associated with the study of behavior. Emphasis on measurement, descriptive statistics and the principles of experimental design. To be properly registered, students must enroll in one Discussion Section.
